Preliminary Beekeeping Course 2019

For anyone with an interest in, or who may
be thinking about keeping bees

The course covers the basics of beekeeping from setting up an apiary and acquiring bees to health & safety, hive management, swarm control, disease control and honey production.

The course runs for 10 sessions, one per week, commencing Tuesday 29th January 2019 at 7.30pm at Greenmount College Antrim.

There are 7 evening classroom sessions and three practical beekeeping sessions at our apiary in late April

The course fee is £120 which includes the tuition all course materials and final recognised course assessment

Randalstown & District Beekeepers Association offers all our students

- Free membership of RANDBKA for 1 year
- Free access to our apiary on Sunday afternoons during the season.
- Free hands on experience and mentoring by our experienced beekeepers
- Access to RANDBKA beekeeping events

To book this course please enroll online at:

<https://www.cafre.ac.uk/short-courses/bees-preliminary-beekeepers-course/> or search CAFRE Beekeeping.

For enrolment queries please contact Hazel Marcus on 028 9442 6964
